OFFICE OF LEGISLATIVE COUNSEL

Friday - 1 September 1967

25X1 [redacted] Left with Herbert Atkinson, in a sealed envelope, the letter to Senator Russell on S.1035 to be made available to Mr. Darden when he is back in the office next week.

25X1 [redacted] Talked with Glee Gomien, in the office of Senator Everett Dirksen, making a tentative appointment for the Director to see the Senator on 12 September at 3:30. This is to be followed up to adjust times, if necessary, for the convenience of either.

25X1 [redacted] Clark Norton, in the office of Senator Birch Bayh, called indicating they had a constituent letter asking about results of an investigation of CIA. I indicated that my guess would be that they are referring to CIA/National Student Association matter which resulted in the appointment by the President of the Katzenbach Committee. I stated that the Committee's report and the President's action on this have been inserted in the CONGRESSIONAL RECORD. This apparently was all that Mr. Norton needed.

25X1 [redacted] Talked with Jim Kendall, Senate Preparedness Investigating Subcommittee staff, indicating that at a meeting yesterday with Senator Stennis, he had raised with Mr. Helms the possibility the Subcommittee may wish the Director to testify. Mr. Helms had responded he hoped this would not be necessary. I told Kendall that Senator Stennis said he would do what he could. I then indicated the Director wished to have available, if possible, the transcripts of the various people testifying. Kendall said he was sure this was all right but he would be required to raise this with Senator Stennis which he would do tomorrow.

25X1 [redacted] Talked to Mrs. Margaret DeMichele, Administrative Assistant to Senator Mike Mansfield (D., Mont.). Peggy advised that in all probability Senator Mansfield will be leaving the city on Sunday and will not be returning from the Far East until the 18th or 19th of September. She will be able to reach him by telephone through Wednesday.
